

**Supporting letter by [Member State] for the reservation of a harmonised number for
harmonised service of social value**

I, the undersigned, as the representative of [insert the Member State], declare the Member State's supports for the initiation of a formal process to reserve the number '116 100' for a harmonised service of social value, namely elderly citizens helpline.

[I annex the declaration of interest undersigned by a national organisation that confirms their interest to provide service for the harmonised service once the number has been reserved. I acknowledge that this declaration does not reserve any rights in the course of the assignment procedure.]*
